

\$52,000,000 TOTAL PAID FOR 1926 WHEAT HANDLED BY ALTA. POOL—CO-OPERATIVE MARKETS 45,000,000 BUSHELS, MGR. PURDY REPORTS—160 LINE ELEVATORS IN GROWERS' CHAIN

Calgary, Nov. 23.—The Alberta Wheat Pool handled close to forty-five million bushels of wheat from the 1926 crop, R. D. Purdy, the manager, stated in his report presented at the annual meeting of the pool which opened here Wednesday morning.

The total amount of payments to growers was \$52,364,500.

The directors' report covered a wide range of wheat pool activities. It stated there were now one hundred and sixty line elevators owned by the pool as against only forty two last year.

In 1926 the pool had only one terminal in operation, that at Prince Rupert. This year the pool had a Vancouver terminal under lease which had a capacity of 1,000,000 bushels. Construction had been started on a new pool terminal which would have accommodation for 2,400,000 bushels.

Three-Year Contract

A handling contract had been negotiated with elevator companies the directors said, which would run for three years. The charges on grain coming through country houses were not materially changed but the movement of pool grain had been restricted in some direction. "Any curtailment of our activities as far as the movement of grain is concerned," the report stated, "is bound to have but one result and that is the stimulation of the ac-

quisition of pool elevators and pool terminals to take complete charge of the handling of member's grain directly from the farmer's wagon to the ship."

An interesting announcement included in the report was to the effect that the pool received a cheque for \$45,168 from the United Grain Growers. At the annual meeting of U. G. G. in 1926, it was decided that they would not sell their line elevators to the pool. They however, advised the pool that they expected to pay a proportion of the profits accruing from the handling of pool grain through U. G. G. houses, hence the payment.

The report stated that breaches of contract were becoming fewer as the members became better acquainted with pool activities and methods.

Coarse Grain Pool

Referring to the proposed coarse grain pool, the report says: "While the coarse grain pool has not met with the same reception by the growers as the wheat pool, there are a large number of growers who believe that we would be well advised to give serious consideration to a coarse grain branch of our organization."

Mr. Purdy stated that during the past season the pool had contracts covering the handling of pool wheat with sixty-one elevator companies operating approximately 1,100 elevators at more than five hundred shipping points.

During the past season, Mr. Purdy continued, at Calgary, Edmonton, Vancouver and Winnipeg inspection points, reinspection and surveys were called by the pool on 1,777 carloads in 61 grades being raised, eight lowered and 1,155 remaining unchanged. The net gain to pool shippers was \$60,525. There had been 1,503 moisture tests.

The bulk of the wheat handled by the pool was 20.5 per cent.

Secretary R. O. Gorman, in his report, stated that members enrolled in the first series contract was \$2,579, with an aggregate acreage of 3,977,513. The increase during the past fifteen and a half months was 6,101. There were 281 wheat pool locals.

Pool Elevators

A report presented by C. M. Hall, manager of elevators, stated that the net result of the year's operations ending June 30, 1927, showed a saving to the pool members of \$327,005. To that was added net returns from the previous year of \$190,62, making a total of \$327,126.62. That was equivalent to about 4 1/2 cents a bushel on the total wheat handled through or by the 42 country elevators.

During the year these 42 elevators handled 5,273,713 bushels, or an average of 125,565 bushels per elevator. The handling of the pool's leased elevator at Prince Rupert amounted to 3,598,845 bushels.

Mr. Hall stated that the surplus or overages in weights at the pool's country elevators was six-tenths of one per cent. Losses on grades exceeded gains in grades by \$4,500.

During the 1927-28 season the pool would operate 160 elevators. That was an addition of 118, of which 52 were bought and 56 built.

ST. ANDREW'S PRESBYTERIAN CHURCH

Rev. A. C. Wishart, minister, Sunday, December 4, 1927:

The Pastor will preach at both services.

In the evening the series on the early chapters of Genesis will be continued.

Ladies Aid Monday afternoon at 3 o'clock.

Prayer meeting on Wednesday at 8 p.m.

Men's Banquet Thursday evening at 6:30 p.m.

Choir practice Friday at 7 and 8 o'clock.

The Ladies Aid will hold their Annual Bazaar on Saturday afternoon and evening in the Town Hall.

The Tuxis boys of the United Church held a very enjoyable sleighing party last Friday night, after which a supper and social entertainment in the church was enjoyed by all.

MACLEOD HOSPITAL BOARD RE-ELECTED AT ANNUAL MEET—MAYOR McDONALD INTIMATES INSTITUTION WILL BECOME MUNICIPAL DISTRICT HOSPITAL

There was a very small attendance of the residents of Macleod present last Wednesday night at the annual general meeting of the Macleod hospital.

For the past few years the hospital managing board have been running the affairs of the hospital so successfully, financially and otherwise, that the ratepayers of Macleod have taken very little interest in the affairs of the hospital, not even bothering to attend the annual meeting, evidently having very confidence that the board will still continue to manage the affairs as successfully in the future as in the past.

In the absence of the chairman of the board, John Swinerton, C. A. Mercer, vice-chairman, presided, G. H. Scoullard, secretary-treasurer, gave the annual reports which were adopted, the financial statement for the year being specially satisfactory, showing a handsome balance on the right side of the ledger. The old Board was unanimously re-elected for another year. The members of the board are: J. Swinerton, C. A. Mercer, W. C. Stevens, W. Shield, Geo. McFarquhar, with the mayor, J. W. McDonald, and W. A. Day, chairman of the finance committee of the town, as ex officio members.

Dr. Kennedy spoke in appreciation of the work of the Board, of the faithful services of the staff, and of the splendid equipment of the hospital, stating that he did not think there was another town or country hospital in the province so well equipped with the latest improvements as the Macleod hospital has been for the past year or two. Mayor McDonald in making a few remarks on the hospital stated that there was a possibility that sometime in the near future the Macleod hospital might be made a municipal district hospital.

BRITAIN HOPES FOR NAVAL LIMITATION

London, Nov. 23.—The British government is reluctant to lay down any more type than tonnage cruisers at present in the hope that naval limitation may yet be reached. W. C. Bridgeman, first lord of the admiralty, told the House of Commons today.

Replying to a question in the house Mr. Bridgeman said that a new situation had arisen owing to the fact that, although Britain's proposals for limitation in the number of ten thousand ton cruisers had not been agreed to at Geneva, the discussion held the hope that a limitation might be reached. In this circumstance, he added, the British government was reluctant to lay down any more of these cruisers at present.

MACLEOD UNITED CHURCH

The United Church, Macleod Services Sunday, December 4th, will be at 11 a.m. and 7:30 p.m.

Sunday School meets at the close of the morning service.

The Men's Brotherhood, on Tuesday next, will hear Gordon Lapp, head of the Boys Work for Alberta. This is the man of today who thrilled his audience last year. He addresses the boys later in the evening.

HON. ROBERT FORKE IS STRONGLY CRITICISED OVER S.S.B. ARREARS—OVER \$100,000 OUTSTANDING IN ALBERTA WHICH PRESIDENT OF MUNICIPALITIES ASSOCIATION DECLARES DOMINION SHOULD PAY, BUT WHICH HON. MR. FORKE AS MINISTER IN CHARGE FAILS TO PROVIDE FOR

Edmonton, Nov. 23.—Sharp strictures against the Hon. Robert Forke, minister of immigration and colonization, for his attitude in reference to the payment by the Dominion government of taxes on soldier settlement board lands where the soldier settler has failed to make these payments, were the feature of the address of President John Gair of Killam, to the 250 delegates to the nineteenth annual convention of the Alberta association of municipal districts, which opened a three days' session in the Memorial hall on Wednesday.

Mr. Gair first reviewed efforts made by the three prairie provinces, to have the Dominion government pay tax arrears on S. S. B. lands, and also, to have the soldier settlement board converted into a co-operative body similar to the Canadian National Railway, thus making its properties subject to provincial taxation.

Trail for motor cars have been impassable for several days on the Pincher Creek route. The going on the Granum trail is very tough but several cars have made various trips north. The Ardenville and Standoff trails are very heavy and deep drifts in several places.

Missionary work costs more. The savings taught to cover his tax arrears can no longer wear the cast-off garments of civilization.

Correct this sentence: "When I got my car back from the garage," said he, "all of my tools were in it."

The law-breaker's plea of insanity is silly. It's trying to keep all the laws that drives a man crazy.

THE EMPRESS THEATRE — CURRENT ATTRACTIONS

DRAMATIC CLIMAXES PILE ONE ON OTHER IN "STARK LOVE"
—KARL BROWN'S REMARKABLE FILM OF CAROLINA LIFE HERE NEXT WEEK

"Stark Love" Paramount's slice of realism which reaches the Empire next Wednesday and Thursday seems bound to give Macleod the shock of its life! Why? Because "Stark Love" tells the tale of a group of Americans who, though living in the twentieth century, are still way back in the medieval sixteenth century.

Man is the master and woman the slave. He sits at his ease all day long while she does the field, gathers the wheat, cooks the meals, cleans the house, bears children and any of a thousand other tasks. This group of aborigines are still existing the way they did years ago and yet, they're right here on our own continent, in the Great Smoky Mountains of North Carolina.

Karl Brown, former cameraman for James Cruze and D. W. Griffith, in company with a group of assistants, plunged right into the heart of the Great Smoky country where he picked a spot composed entirely of native whites. Then they got to work on the story.

Rob Warwick, an ambitious mountain lad, is anxious to get away from the indolent life his ancestors have always lived. The painful reading of books puts thoughts of a real education in his mind and he determines to strike out for the settlement and—freedom. Before leaving, Rob tells Barbara Allen what he intends doing. She, realizing what her fate as a mountain woman will be, envies his good fortune. Arrived at the nearest town, some hundreds of miles away, Rob sells his horse. With the money, he registers at a school, not in his name, but in Barbara's. Then he heads toward home. Outside the cabin sits an old woman who tells him his mother has died. Rob sadly opens the door and sees

\$100,000 Arrears in Alberta

In Alberta alone, he stated, there was approximately \$100,000 in arrears of taxes on S. S. B. lands outstanding. At the end of 1926, out of 24,428 S.S.B. settlements which had been made, Alberta (with 7100 settlers), and Saskatchewan (with 6093 settlers), had together over one-half the entire number of such settlements made throughout Canada, so that the problem affected the greatest extent of all the provinces.

Trail for motor cars have been impassable for several days on the Pincher Creek route. The going on the Granum trail is very tough but several cars have made various trips north. The Ardenville and Standoff trails are very heavy and deep drifts in several places.

Missionary work costs more. The savings taught to cover his tax arrears can no longer wear the cast-off garments of civilization.

Correct this sentence: "When I got my car back from the garage," said he, "all of my tools were in it."

The law-breaker's plea of insanity is silly. It's trying to keep all the laws that drives a man crazy.

BETTY BALFOUR "BRITAIN'S QUEEN OF HAPPINESS" AT THE EMPRESS

Movie fans in England never tire of singing the praises of Betty Balfour, Canada and the United States have showered their affections of Mary Pickford and set her up as their screen idol. Yet the pinnacle on which "Our Mary" has been placed is a low one in the eyes of the average Englishman when compared with the position occupied in the "movie hall of fame" by the little blonde Betty.

First Miss Balfour was called "Britain's Mary Pickford." This was all right with the English fan by way of comparison. But with the release of each succeeding picture in which Betty Balfour appeared he became more and more enthused. Then someone dubbed her Britain's Queen of Happiness, and this title spread all over Great Britain as one most appropriate under the circumstances.

Betty Balfour made her biggest success in a series of "Squibs" pictures. There were about a half dozen of these, and in each of them her particular part in the picture was one, to use the words of an ardent admirer, that radiated sunshine all through the productions.

Now Miss Balfour has completed another feature picture, "Somebody's Darling," which is looked upon as the greatest success of her wonderful career. It is a story replete with romance, adventure and a liberal amount of comedy. "Somebody's Darling" will be shown at the Empress Theatre next Monday and Tuesday.

ALBERTA VAUGHN

No one would believe that the vivacious little actress that we saw in the Telephone and Fighting Blood series was able to give the dramatic interpretation that she does in "The Adorable Deceiver," and what is more it is in the nature of a surprise, for "The Adorable Deceiver" which is showing at the Empress theatre Friday and Saturday is as fine a comedy drama as the strictest critic could wish to see. The comedy that has made Alberta famous is there in large lumps but the surprise is in the way that she handles the most difficult role that was assigned her.

In this picture she has to portray a Balkan princess who has to flee to America to escape a revolution, and who is very soon in financial difficulty, the picture is crammed with humor but always there is the pathetic little figure of the unlucky princess that one pities even when she is performing her wildest pranks.

Alberta Vaughn is the personification of volatile humor and in this picture she has all the opportunity that a fine little star could desire. The picture was directed by Phil Rosen, and certainly does him credit. The story is by Harry Hoyt and the

critics praised Betty Balfour in unqualified terms, some proclaiming her a feminine Charles Chaplin, saying she combined the virtues of Charles Chaplin and Mary Pickford, and others calling her the foremost comedienne in the world. In accordance with its policy of selecting the best films produced in England for showing here, the Empress Theatre management will screen "Somebody's Darling," next Monday and Tuesday.

PREMIER BRATIANO OF ROMANIA IS DEAD—UNCROWNED KING OF THAT COUNTRY PASSES FOLLOWING THROAT OPERATION

Bucharest, Nov. 24.—Lionel Bratiano, premier of Rumania, generally regarded as the country's uncrowned king, died today.

A complication of diseases proved fatal after an operation yesterday for an abscess of the throat. The premier was 64 years old and was active almost till his death.

Brother Named Premier

Premier Bratiano died at seven a.m. His brother Vintila was appointed premier by the regency council and he formed a cabinet composed of former members.

Guards were trebled throughout the capital. Troops in the whole country were ordered to stand by. Though the premier became seriously ill last night, his death was unexpected. An operation for an abscess of the throat at first removed his sufferings from tonsillitis a little, but later another operation proved necessary. Fearing himself that the end might be near he asked that his keys and all personal papers be given to his nephew Constantine Bratiano, the chief executive of his cabinet.

Carolists Rejoice

Paris, Nov. 24.—Rumanians, friendly to the former Crown Prince Carol, expressed the belief today that the death of Premier Bratiano would expedite a legal return to the country of Carol and possibly enable him to attain the throne. Even with Vintila Bratiano in power, these quarters were convinced that the long away of the Bratiano family over Rumanian affairs was nearing its close.

Bratiano's defeat in the recent Manolescu trial in Bucharest has been regarded by Carolists as certain evidence that oppositionists were gaining the upper hand in Rumanian affairs. In this trial Carol's hopes to return to his country at least as a regent for his son, the boy king, figured largely. The fall of the uncrowned Bratiano dynasty, as Carolists view the matter, removed the most powerful element opposed to Carol. Premier Bratiano was his arch foe.

Prevent Carol's Return

London, Nov. 24.—An Exchange Telegraph dispatch from Bucharest says that the newly formed cabinet of Vintila Bratiano, which was appointed by the regency this morning following the death of Premier Bratiano, has announced its intention of carrying out the policies of the late premier and will not allow the return to Rumania of former Crown Prince Carol, now in France.

The Bucharest garrison has been fully mobilized, the dispatch says, and all public buildings are occupied.

EUROPEAN PEACE IS THREATENED BY MANY RIVALRIES

London, Nov. 26.—Numerous rivalries and suspicions today threatened international peace in Europe. The Rumanian situation, the Italian-Albanian defensive treaty and the quarrel between Lithuania and Poland have come to the fore one week before the meeting in Geneva of a disarmament conference held in hope of furthering peace and goodwill.

Anxiety in Rumania has been reawakened by the sudden withdrawal of Jemel Bratiano's strong hand. The possibility of former Crown Prince Carol returning to claim the throne has added to the difficulties of an already complicated situation.

The less of the premier who dominated the country for more than a quarter of a century, it is feared, may have an adverse effect upon Rumania's foreign relations. Hungary is displeased at the treatment of Hungarians in Transylvania, transferred from Hungary to Rumania in 1920 by the treaty of Trianon. Russia desires to recover Bessarabia, lost to Rumania as a result of the Bolshevik revolution. Bulgaria is nursing her anger over the loss of territory to Rumania because of the great war. In another direction international jealousies have been strengthened by the recently signed friendship treaty between Italy and Albania.

Threat of Trouble

While some observers are unable to see how international peace is affected by the treaties, others regard them as a threat of trouble in the Balkans.

The chief cause of immediate concern is above all the quarrel between Poland and Lithuania. In view of many English commentators, this has been aggravated by the Soviet's warning note to Poland, implying that Russia will be found on the side of Lithuania in the event of hostilities.

The Polish annexation of Vilna, the old Lithuanian capital in 1920, while the old Polish frontier was as yet undefined has been ranking ever since. Quarrels arising from this have increased in tension from time to time and the two nations have been in a virtual state of war, although a bloodless one, since diplomatic action has been restored between them. Direct news from Vilna, Kovno and Warsaw is scanty, but reports through Riga and Berlin indicate that there has been some improvements in the situation.

CHRIST CHURCH (ANGLIAN)

Services, Sunday, December 4th, 1927.

Matins and Sermon—11 a.m.

C.G.T. Senior Bible Class—12:15.

Rev. F. Randall Powell, Rector.

POWER BYLAW CARRIES 430 MAJORITY — INTERCHANGE OF POWER APPROVED; VOTE 1059 TO 629—HEAVY VOTE POLLED TO SETTLE LONG CONTROVERSY OVER ELECTRICAL UTILITY POLICY IN CITY—ONLY ONE POLL REGISTERS MAJORITY AGAINST BYLAW

Lethbridge voters voted on November 23, 1927, in favor of the interchange of power agreement. The majority of 430 in favor of the bylaw means that, as soon as possible, the transmission line of the Calgary Power Company will be cut into the Lethbridge municipal power station for the delivery of or to receive electric current as the case may be. This will likely occur about the first of December.

Wednesday's total vote was 1,688 which compares with some 1,796 on the recent plebiscite on managerial form of government. The vote was, however, considered to be a large one considering the drifted state of the streets, which made vehicular traffic in some parts of the city almost impossible. Many voters went to the polls in sleighs which were brought into action by the committees on both sides.

Four of the five polls registered majorities in favor of the bylaw, while one poll, United Church Hall, gave a majority of 11 against. The heaviest vote polled was at the City Hall, where service tax voters registered their ballots, and there the majority was 230 in favor of interchange of power.

The voting was slightly more than three to two in favor of the bylaw.

SALVATION ARMY SERVICES

Captain T. F. Wagner and Lieut. C. J. Fowler.

Alberta Grand Champion Steer Brings High Price

The grand champion steer at the
Toronto Royal Winter Fair, "Choice
U. A.", a Shorthorn bred and ex-
hibited by the University of Alberta,
sold at auction to T. Eaton Co. Ltd.,
following the show for the record
price of \$1,650 per pound or a total
of \$22,125. The Aberdeen Angus
steer bred by C. H. Richardson of
Bowden and contributed to the
University of Alberta, after winning
the championship of this breed for
the second year in succession, was
purchased at the same sale by the
Canadian Packing Co. Ltd. of Tor-
onto at 30 1/2 cents per pound or a
total of \$450.00. The price obtained
for the grand champion steer fol-
lowing last year's show was 56
cents per pound. The grand cham-
pion steer will also be shown at the
Chicago International Livestock

Show before being delivered to the
T. Eaton Co.
New Townsites To Be Offered
For Sale

Eleven new townsites in Alberta
will be offered for sale in the spring
of 1928, announces the land depart-
ment. These are located along the
Cattle-Whitford Lake branch of the
C. P. R., the new line being graded
as far as Whitford Lake, ready for
the laying of steel during the next
few weeks. The townsites to be of-
fered and their locations are as fol-
lows: Rusylvia, N.W. 28-53-6-W4;
Derwent, N.E. 9-54-7-W4; Slawa,
N. 35-21-54-S-W4; Myrnam, S.W. 14-
54-9-W4; Beauvallon S.W. 11-54-16-
W4; Morcambe S.W. 18-54-10-W4;
Musidora, S.E. 29-54-11-W4; Two
Hills, W. 32-54-12-W4; Kaleland,
W. 10-55-13-W4; Hairy Hill, S.W.
29-55-14-W4; and Willingdon, N.W.
11-56-15-W4.

More Than Half Of Wheat
Crop Handled By Pool
Out of 335,500,000 bushels of
wheat inspected in the western in-
land division for the year 1926-27,
a total of 179,950,242
bushels, or 53.6 per cent, was han-
dled by the central selling agency
of the wheat pool, according to the
report of the president and directors
of the annual meeting of delegates of
the Alberta Wheat Pool in Calgary
during the past week. In the past
year the Pool shipped grain direct to
24 countries through 69 ports, ex-
porting 107,802,000 bushels through
Eastern Canada, and 16,333,208
bushels through western ports, the
total amount exported amounting to
124,135,208 bushels. The net pro-
ceeds from the sales totalled \$232,
930,969.65.

Alberta Crop Movement Aids
Vancouver
"The Alberta crop movement is
the greatest factor in Vancouver's
prosperity so far as foreign trade
is concerned," stated A. M. Dollar
of Vancouver, President of the
Canadian Chamber of Commerce,
who has visited Calgary and Ed-
monton during the past week.
"Between October 1 and the end

friends from attending.
Nevertheless there was a large
number of towns people and a few
bonny friends and members present
and kept the ladies busy all after-
noon at the fancy work tables, the
home-cooking table, and the C.G.I.T.
Candy table. The sales at all these
tables were exceptionally good. The
feature of the bazaar was the supper
and the ladies excelled themselves
this afternoon. The ladies of St.
Andrews have always been noted
for providing a first class supper,
and the remarks made tonight from
satisfied patrons showed that they
are still upholding their reputation,
and it was no easy matter to provide
for over 250 persons. There were
four long tables, beautifully de-
corated with flowers and lighted
candle.

Special credit is due to Mrs. James
Ringland convenor of the supper
committee and her band of helpers
for the success of the supper. Al-
though the bazaar was a splendid
financial success, following are the
ladies who assisted at the bazaar:
Mrs. J. A. Strathers, president;
Mrs. Matheson, Mrs. Taber, home
cooking table, Mrs. Hill, Mrs.
Whipple, supper, Mrs. James Ring-
land, convenor, Mrs. M. C. Macleod,
Mrs. R. McCrea, Mrs. A. L. Mc-
Kenzie, Mrs. Tripp, Mrs. J. S. Ham-
ilton; serving the tables, Mrs.
Coffee, Mrs. Hutton, Miss E. Fer-
guson, Miss Anna Taber, Miss J.
Pringle, Miss J. Ringland, Miss P.
Hart, Miss J. Lide, Miss M. Reid,
Miss E. Coffee, Mrs. Hastie and Mrs.
McMurchie poured the tea and cof-
fee. Mrs. John Ringland, cashier
Miss Gladys Taber, usher. The C. G.
I. T. candy table was in charge of
the president Mrs. Fred Morris,
assisted by the girls, and the post
office, Mrs. Dunn and Mrs. Rich-
ardson. Last but not least appreci-
ated were the musical selections dur-
ing the supper by the Edgar five-
piece orchestra, who very kindly
donated their services.

BUY AT HOME Spend Your Money in Macleod

Purchases representing thousands of dollars are lost to
us, to our trade, to our clerks and employees, to our
laborers and artisans, to all the people of Macleod who
exist on the products of their work. This money, if
spent at home, would help to recreate Macleod finan-
cially, give a wider field of activities in business, would
be helpful to every resident of this town.

If we purchased regularly from local merchants, this
money would circulate in Macleod in a welcome manner.
Our merchants merit our patronage; it is to our inter-
est, and the duty of all of us to encourage the local
merchant. He is one of us, he lives among us, he has
the right to be encouraged by us, he is anxious to have
our custom, and to give us satisfaction. We should un-
der all circumstances give him preference, price for
price, quality for quality. And nearly always the price
that our local merchant asks is, if we compare the qual-
ity, just as cheap as that of the outside merchant.

Never purchase merchandise by catalogues from fore-
ign houses before assuring yourself that you cannot
procure the same articles, of the same quality (and
frequently of better quality) at the same price from
your local merchant.

BUY AT HOME YOU CAN OBTAIN A COMPREHENSIVE RANGE OF MERCHANDISING AND PROFESSIONAL SER- VICE FROM THE FOLLOWING MACLEOD BUSI- NESS AND PROFESSIONAL MEN:

Luxuries Once But Necessities Now

PRACTICALLY any Canadian
citizen may own today an automo-
bile possessing elements of beauty,
style, comfort and efficiency which no
amount of wealth could have com-
manded a dozen years ago.
For the automobile industry has out-
grown its original function as a sup-
plier of transportation, and has in an
amazingly short time, brought about
the refinements which are exemplified
in the present-day General Motors
car.
Since its foundations first were laid
sixty years ago, this institution has
believed that every Canadian has a
right to the best his country pro-
duces, has a right to satisfy his sense

MACLEOD LODGES NAME NEW SLATES OF OFFICERS

The Rebekahs and Odd Fellows of Mountain View lodges, Macleod, have had a busy time last week. On Tuesday night the Rebekah lodge at their regular meeting put on the degree work and initiated three new members. There were a large number of members present and after the degree they finished up the evening with a banquet.

On Wednesday evening the subordinate lodge Mountain View No. 4 put on a card party and dance, which was quite a success, even though the roads prevented all the country members and friends from attending. Progressive whist was played and the prize winners were: Ladies' first, Mrs. Harry Stewart; ladies' consolation, Miss Lenora Bremner; gentlemen's first, T. Goodsir; gentlemen's consolation, C. C. Bremner. Two hours dancing was very much enjoyed to the strains of Bro. Jack Paulson's Gaiety orchestra. Refreshments were served.

Thursday night Mountain View

lodge No. 4 put on the second and third degrees, and at the close the nomination and election of officers for the ensuing term took place. The following were elected: Noble grand, James Hartley; vice grand, Lawrence Dixon; recording secretary, Fred Timlick, P.G.; financial secretary, R. J. E. Gardiner, P.G.; treasurer, Wm. Whitworth, P.G.; trustee, James Rothney, P.G. Afterwards a banquet was held and a social hour spent with song and story.

HIGH SCHOOL HOCKEY

The hockey season popped open here Saturday with a brisk skirmish between two teams of puck chasers organized among the high school boys. A committee of the boys consisting of David Grier, Burley Adams and Lee Watchorn had been busy for weeks arranging for ice, trainers and manager. Eric Ringland, manager of the rink, has reserved Saturday mornings and a night or two after school for the high school teams. Principal C. A.

Anderson has been appointed manager and M. Dean, of the C. P. R., will help train the teams. At a meeting of the boys Burley Adams and Clarence Ringland were selected as captains. While the score Saturday, which was 10 to 5, showed that Burley's men were the stronger, Clarence has a good team and the two teams are more evenly matched than the score might indicate. While Burley made six of the goals himself, Lee showed up well at the start with three goals to his credit. Jack Greenwood scored one goal.

On Ringland's team Tom Graham showed fine form by bagging four pucks, while Clarence got one himself. The boys fought a fierce battle all through the game and there were many hot clashes which will bring out crowds as soon as hockey fans find out the pep the boys are showing. Following are the teams: Burley Adams, right defense; Lee Watchorn, right wing; Jack Greenwood, left wing; Harold Young, right wing; Subo Lantinea, goal; Donough O'Brien, and Wm. Ripley. The other

Macleod

team consists of Clarence Ringland, Tom Graham, left wing; Bill Parker, goal; Jack Wood, left defense; David Grier, right wing; Leo Donough, right defense; Buster Dunn, goal and Harold Webb and Grant Cunningham.

The teams have decided to try to arrange games with teams from schools within the Claresholm Pincher Creek, and Lethbridge, area. Mr. C. A. Anderson, manager, is in correspondence with prospective teams and it is hoped a schedule can be arranged.

MRS. ANDERSON GIVES RECITAL

Mrs. C. A. Anderson, who is an artist in reciting and singing, gave her first recital to a crowded house in the Town Hall, Monday evening, and the program presented was the best that has been seen or heard in Macleod. Her clear voice, and acting of the various scenes, into which she put her whole soul, made every part very realistic to the audience, and she proved herself capable of entertaining an audience herself. The twelve selections given by herself were all that could be desired. Her program was as follows:

Piano Solo, Irene Young.
"Land of Beginning Again," Mrs. Anderson.
"Tin Gee Gee," Mrs. Anderson.
"Katy Did," Mrs. Anderson.
"Pleasant Half Hour On The Beach," Mrs. Anderson.
"Green Eye of the Little Yellow God," Mrs. Anderson.
"De Street Piano," Mrs. Anderson.
"Mazie and the Aeroplane," Mrs. Anderson.
Piano Solo, Irene Young.
"Madame X," Mrs. Anderson.
"Willie Gets the Neck," Mrs. Anderson.
"Modern Opera," Mrs. Anderson.
"Boys Essay on Noses," Mrs. Anderson.
"Paying His Fare," Mrs. Anderson.
"Baby Land," Mrs. Anderson.

Mrs. Anderson, who has charge of the C.G.I.T. Girls in the United Church, has been training them for the platform, and in so doing gave them a Playette entitled "In A Milliner's Shop", in which the scene was laid in a modern shop where all the latest styles were shown and where the ladies came for their millinery.

Every walk of life being represented, from the tiny girl who wanted a hat for her Teddy Bear, to the Millionaire's wife who wanted the creation, without regard for the price. There was also the shoplifter,

who was professional and who was later attended to by the police. The whole was splendid education for the girls, and each and every one played their part well. The girls were: Daisy Jackson, Irene Young, Mildred Baillie, Jean Baillie, Ruth Panter, Lou Rosling, Ruby Nash, Wilma and Jean Preek, Holly Young, Gladys Cooney, Jean and Ruth Day, Queenie Maltby, Dora Young, Hazel McNab, Lillian Arthur and G. Brewster.

Mrs. C. G. Hoult and Rev. W. H. Irwin, were the strong supporters of Mrs. Anderson in training, and carrying out of the excellent program.

A PROMISE MORE THAN KEPT

When the publishers of The Family Herald and Weekly Star of Montreal two years ago announced that the owner of the paper wished them to reduce the subscription price from two dollars to one dollar a year, they promised that not a single feature would be eliminated, but new features would be added, and the paper made more valuable than ever. It is frankly admitted by their million of readers that their promise has been more than fulfilled, and today The Family Herald and Weekly Star at one dollar a year is the marvel of the newspaper world. No home in Canada would regret this investment. Just think of a great big 72 page publication at less than two cents per week and every page of it alone worth the money. No wonder The Family Herald and Weekly Star has over a million readers. It deserves them all and more, too.

ANNIVERSARY SERVICE AT UNITED CHURCH

Anniversary services were held in the United Church, Macleod, on Sunday last, when the Rev. John Grier, was the speaker. He addressed large congregations, both morning and evening, taking strong subjects for both services, especially in the evening "The Love That Wins", from Marys' announcing her Saviour's feet, and the house was filled with the odor. So with our lives, let our deeds fill the lives of

THE TIMES

The NEW CAR

ALL THAT engineers have learned, all that millions of owners have experienced in nearly a quarter of a century, have made possible this car which is today as far ahead of its time as was the famous Model T in 1908.

Sixteen million automobiles, serving their owners in jungle and desert, on mountain and plain, on boulevard and highway, were the test cars that have made this new automobile possible. Its advent marks a new epoch in automotive engineering in point of inbuilt quality—niceties of mechanical design, lavish use of the finer metals, precision in delicate machining processes.

Nowhere in its construction has there

been slighting of either major essentials or minor details. From its outermost hub-cap to its innermost bearing, the new Ford car epitomizes engineering skill to a degree unexcelled in the annals of motor car manufacture.

This entirely new car surpasses the accepted standards of light car accomplishment; sweeps aside all boundaries of price class; establishes a new standard of acceleration, speed, power and smoothness that heretofore has marked only expensive cars as fine cars.

Yet Ford precision in large scale production, unparalleled in the history of automotive manufacture, places this car within the reach of every purse.

An advance showing of the New Ford Car will be made Friday, December 2nd, in the following cities:

Halifax, Peterboro, Winnipeg, Saint Johns, Toronto, Regina, Quebec, Hamilton, Saskatoon, Sherbrooke, Brantford, Moose Jaw, Montreal, London, Calgary, Ottawa, Windsor, Edmonton, Kitchener, Fort William, Vancouver and Victoria.

As rapidly as increasing production permits these public showings will be extended until all of the 736 Ford dealer points have been covered.

If you live in one of the cities listed above, visit the exhibit of this New Car. At other points, see your local dealer next Friday. He will give you complete specifications, prices and an excellent conception of its unusual features.

English Breakfast TEA

This is a new tea we are importing direct. It is a skillful combination of the choicest growths of high-grown Ceylons, blended with the rich, full bodied teas of Northern Assam and Darjeeling, producing a tea of exquisite flavor, rich in color and void of all raspy, bitter taste so noticeable in teas of inferior growth and haphazard selection.

Having purchased one thousand pounds of this tea on a favorable market before the recent advances we are able to offer it at 85c per lb., and we are confident you will pronounce it dollar value.

P.S.—Have you tried our steel cut coffee at 70 cents per pound?

**1928 RADIO MODELS
BY WESTINGHOUSE**

Have These Notable Advantages and Improvements

A. C. Batteryless Sets:
Operate on either 25 or 60 cycle alternating current. This is a big advantage should you move where there is different A. C. supply.
Designed to use new Westinghouse A.C. Radiotrons UX-216 and UX-227 which operate on either 25 or 60 cycle "Raw" alternating current through a step-down transformer in the set. These Radiotrons avoid the hum and "A.C." noise which have been the chief disadvantage of many types of A.C. Batteryless sets in the past. The UX-171 Power Tube is employed for loud speaker operation.

Battery Operated Sets:
Designed to operate with "A" Autopower and "B" Eliminator Units—or—batteries, without requiring special neutralization.
Designed to use the new Westinghouse Radiotron UX 201 B requiring half the "A" current of the UX-201 A which has been universally adopted by radio manufacturers in the past. Owners of previous Westinghouse models can use this improved tube by having their Westinghouse Dealer attend to the re-neutralization and installation of correct resistances at a cost of \$3.25 up, plus express charges.

Both Batteryless and Battery types are made in Five and Six-Tube Models. Five-tube models employ controlled regeneration which adds greatly to the selectivity and sensitivity of the set. These sets are absolutely non-radiating and cannot interfere with the neighbor's reception.

Single control station selectors, of the drum type are used in all models for best response and clarity. The Oval Cone Speaker, finest ever produced, is built in all models. This Westinghouse achievement recreates with realism, voices and all notes of the musical scale with even amplification, handling enormous volume without distortion or blurring. All Westinghouse cabinets are finished in Duco which brings out the full beauty of the wood, and is unexcelled for durability.

Prices of the "A.C." Batteryless sets from \$225.00 to \$285.00 complete. Prices of the Battery Operated Sets from \$78.00 to \$180.00 without accessories.
